Synagogue Support & Community Outreach

Men's Club provides financial contributions for essential improvements to CBI, such as new sound systems, kitchen appliances, and seating.

We actively support both secular and non-secular organizations, demonstrating our commitment to broader social responsibility. Men's Club makes charitable donations to various organizations selected by our membership.

Educational Programs & Minyanim

We host informative breakfast programs, offering opportunities for members to learn and engage in enriching discussions.

We also play a crucial role in supporting the Shul's minyanim. Please sign up for our minyan app and commit to be a part of minyan at least 1x per week.

Social Activities

We provide a platform for members to socialize and build strong friendships through various social events. Past activities include poker nights, paintball, Silverball Museum, sushi and scotch, baseball & hockey games, and our Annual Super Bowl Party.

The Men's Club plays a vital role in enhancing the synagogue's operations, strengthening community ties, and promoting Jewish values for almost five decades.

We encourage you to join, get involved in planning and organizing our programs and participate in our activities! Please fill out the below and submit your \$36 check made out to The Men's Club, CBI and send to us at CBI Men's Club, P.O. Box 369, Manalapan, NJ 07726.
